

9th September 2016

To the families, parents and carers of our Primary children.

It has been such a joy to be part of your community and to get to know you and your children. We have a strong, vibrant Primary team who work in partnership with you and are dedicated to supporting the children to be the best learners that they can be. Each and every adult in your Primary is committed to helping each of them achieve all that they can and even create possibilities that they have never even thought of.

As many of you know, I am a National Leader of Education and support other schools in Bradford and that work is taking me away from the Academy to 2 other schools in our Bradford and Diocesan family of schools to help and support their children. I won't be disappearing straight away but I am eventually leaving you with a fantastic team, led by Mrs Saville, who will ensure its business as usual for all of our learners. Your school will continue to go from strength to strength with parents, children and adults in school in strong partnership with each other.

This school and community are close to my heart and I will keep my links and connections with places, people and organisations here. I have deep ties to this community and wish all of you and each of the children all the very best in the future.

Yours sincerely

Jayne Clarke
Executive Principal
