Bradford Academy

Dear Applicant

Thank you for requesting details about a support role at Bradford Academy. Our vision describes our mission:

Known by God

Valued as unique

Understood and accepted

Guided to be the best we can be

We are a shining light in our community

Using opportunities to change our lives and those of others

"A city on a hill cannot be hidden"

Our mission is to make a difference.

You have shown interest in us at an exciting time. We are a "Good" school as recognised by OFSTED both in February 2013 and December 2017. We are rightly proud that all aspects of our provision; Early years, Primary, Secondary and Post-16 are consistently good and have been since 2013. You can read the full report in the OFSTED section of our website.

As a Church of England academy, faith sits at the heart of all that we do, I am proud to lead a team of dedicated staff who are enthusiastic about learning, and committed to our young people and their educational and spiritual journey. We work with a range of partners to ensure that the experience of our young people is personalised, appropriate and challenging. Our work in building a strong community and collaborating innovatively with partners has been recognized by being awarded the prestigious Times Education Supplement award for Community and Collaboration. Our strong community builds a solid foundation from which all can excel.

With over 1800 learners from the ages of 2 to 19, we have transformed the community in which we are deeply rooted. We have two resourced provisions in our Secondary Phase (DSP); one for Physical Disability and one for Autism. This reflects the breadth and diversity of society and in addition to providing education and experiences for learners with additional needs, it also teaches all our students to value and respect everyone as equals. The majority of our youngsters remain with us into Post-16 and 70% of learner's progress to higher education each year.

You will appreciate that this is no mean feat and we don't sit still. We invest in supporting our students and our teaching staff and we know that the various support roles are integral to our success.

I have lived and worked in Bradford throughout my teaching career. It holds a vibrant, diverse community and possesses unique character. Its diversity reflects Britain. The Academy plays an important part in preparing young people for life in our complex society. Students are prepared to be active participants in their own communities through developing relationships and understanding the importance of exercising their voice. We hold this dear and believe it to be a major reason behind our success. We are developing leaders for the future; both staff and students.

I have worked at the Academy since its inception and am incredibly proud of our achievements. Success is down to working hard. We listen to each other. We do not shy away from challenge.

Why do you want to work for this Academy? I would ask you reflect on the following:

- Your tenacity in being the best.
- Your sense of moral purpose.

You need to be committed to improving the life chances of our students for whom educational success is the only secure route to raising the quality of their future lives. Can you demonstrate how you would contribute to our team to get results? You get things done.

We need colleagues who share our values and aspirations.

Does this resonate with you? Are you inspired? Then start your journey and submit your application.

Yours sincerely,

A handwritten signature in black ink that reads 'Tehmina Hashmi'.
