

18th December 2020

Dear Parents/carers,

At the time of writing this letter to you, I still do not have detailed information about the announcements made in the press regarding the staggered starts and mass testing of secondary aged pupils.

As soon as we have this information we will write to you with further details. You will appreciate that without this we cannot plan what our response will be.

Please look out for communication from the Academy through our usual communication channels.

I sincerely hope that you have a safe Christmas.

I thank you as always for your patience and support.

Yours faithfully

Tehmina Hashmi
Executive Principal
