

12th January 2021

REF:210121PDI/THI

Dear Parents/Carers

RE: Update Letter 12/01/2021

I write to update you on our current provision.

For the past week we have been ascertaining the numbers attending our provision in both phases in addition to facilitating our remote offer to those children working from home.

You will appreciate that this takes a substantial amount of planning which is now complete until half-term. We are not anticipating any more children joining us on site. The in-school provision has now been staffed based on the current numbers attending and we will review this after half-term.

Members of the senior leadership team and our safeguarding team are monitoring attendance both on-site and through engagement with Teams. Over the next week, we will be using engagement figures to target children who may not be accessing the offer as much as they should be. Please encourage your child to log on every day, carry out the tasks set (including handing in assignments) and check-in with teachers through the conversation section in Teams. This is particularly important for examination groups where teachers will use this to form a view when considering centre assessed grades.

Please do check our website for the most up to date information on how to support your child through these turbulent times.

Take care and stay safe.

Yours Faithfully

Tehmina Hashmi
Executive Principal
