

NEW Year 7 Learner Update

Dear Parent/Carer

We are writing to provide a brief update regarding your child's transition into Year 7 at Bradford Academy.

We have already seen a lot of positive engagement from families around transition and this positive communication is something we would like to continue. You will recently have received a Year 7 Welcome Pack in the post, since these packs were printed, a small number of updates have been made and we wanted to you to be aware of these changes.

To ensure you are accessing the most up-to-date information, we ask that you refer to the revised documents on the Bradford Academy website. These updated documents replace the versions included in the printed welcome pack. Please take some time to review the online information now and over the coming months as they will support you and your child in preparation for a successful start in September. You can access these documents by scanning this QR code:

We would like to take this opportunity to remind you of the following documents that will be required to be completed by **Friday 29th May 2026**. Please note, if you have already returned any of the below documents, you are not required to complete them again.

Bradford Academy Annual Year 7
Admissions - Data Collection
2026-2027

Transition Summer School 2026
Registration

Bradford Academy - Year 7
Information Evening & Transition
Day

Finally, we would like to remind you of the Year 7 Information Evening on **Wednesday 10th June 2026, 16:00 – 17:00**. The evening will provide an opportunity for you to learn more about Bradford Academy, meet some of our amazing learners, see our uniform and meet members of staff from the Year 7 team and wider leadership team. Following this we will welcome our new Year 7 learners to Transition Day on **Wednesday 1st July 2026**. Here, learners will have the opportunity to experience school life at Bradford Academy and meet their new form tutor.

We look forward to welcoming your child to Bradford Academy and working in partnership with you to support your child through their secondary school life.

Yours Sincerely,

Katie Matthews - Assistant Principal for Learner Experience and Support
